

6th – 8th September 2023

Department of Quantitative Economics, Escuela Politécnica Nacional

Conference Bursary Guidelines

The Organizing committee of the International Meeting of Economics is pleased to announce several conference bursaries for the Conference in its seventh edition. Conference bursaries are available to scholars from Ecuadorian cities other than Quito and other countries. The bursary consists in an exemption of the conference registration fee.

Applicants should send a document stating:

1. the motivation to participate in the VII International Meeting of Economics and reasons for your application (e.g. cost implications of travelling to the conference; or other circumstances);
2. name of your institution, department, and where you will be travelling from.
3. abstract of up to 500 words of the paper that you will present at the conference.
4. Applications must be in writing and be submitted to encuentroeconomia@epn.edu.ec no later than 10th July 2023, 23:59 (GMT-5).
5. Decisions will be made by the Conference Bursary Committee after the submission deadline, based on quality of the abstract received.
6. Preference will be given to those who might reasonably be expected to find it hard to obtain funding to attend the conference.
